

PLASTIC PACKAGING IS TAKING HUGE PART IN GARBAGE, AND IT IS WIDELY KNOWN THAT THE PROCESS OF DEGRADATION LASTS AROUND 500 YEARS.

DON'T THROW AWAY PLASTIC PACKAGING MARKED WITH THESE RECYCLING CODES:

Involve yourself in action and contribute to environmental protection by **collecting clean plastic packages which is part of your daily use in your household.**

Your plastic packages will be further recycled by special technology, and recycled material will be used by students of Faculty of Fine Arts in **designing of souvenirs and various products.**

THE TEAM FROM MARIN BARLETI UNIVERSITY INITIATIVES **EACH WEDNESDAY** WILL COLLECT FROM YOU PLASTIC PACKAGES WITH MENTIONED RECYCLING CODES ON LOCATIONS IN SHKODRA:

- **Downtown – 10:00**, near the
- **Old Bazaar - 10:30**, west of square “5 Heronjte”
- **Boulevard 13 December – 11:00**, parking next municipality
- **Shkodra Lake – 11:30**, parking to Luani-A gas station
- **Shkoder Cathedral – 12:00**, Parking next to Centro Metal
- **Grand Hotel Europa – 12:30**, Square “2 prilli”

PLEASE, CALL US OR SEND SMS TO PHONE NUMBER 069 64 722 32 OR E-MAIL US ON [business.management-dept.coord@umb.edu.al](mailto:business.management-dept.coord@umb.edu.al) about location of your arrival.

Activity of plastic packages collecting is part of cross border project (Albania-Montenegro) “Art, Plastic and Recycling”. Information’s about projects you can find on link:

.....

With kind regards,  
Marin Barleti University

This project is funded by the European Union
