

PLASTIC PACKAGING IS TAKING HUGE PART IN GARBAGE, AND IT IS WIDE KNOWN THAT PROCESS OF DEGRADATION LASTS AROUND 500 YEARS.

DON'T THROW AWAY PLASTIC PACKAGING MARKED WITH THESE RECYCLING CODES:

Involve yourself in action and contribute to the environmental protection **by collecting clean plastic packages which is part of your daily use in your household.**

Your plastic packages will be further recycled by special technology, and recycled material will be used by students of Faculty of Fine Arts in **designing of souvenirs and various products.**

THE TEAM FROM NGO CENTRE FOR SUSTAINABLE TOURISM INITIATIVES **EACH WEDNESDAY** WILL COLLECT FROM YOU PLASTIC PACKAGES WITH MENTIONED RECYCLING CODES ON LOCATIONS IN PODGORICA:

- **Downtown – 17:30**, parking behind the Ministry of justice of Montenegro
- **Preko Morače - 18:00**, parking beside the market Bonela and cafe Unico
- **Blok 6 – 18:30**, parking next to the market Swisslion
- **City quart across Trade centre Delta – 18:45**, next to the building of KIA Motors branch office
- **Zabjelo – 19:00**, Parking next to the Centro Metal
- **Old Airport settlement – 19:30, parking next to the super market Voli**

PLEASE, CALL US OR SEND SMS TO PHONE NUMBER 069 132 881 OR E-MAIL US ON vlado@cstimontenegro.org about location of your arrival.

Activity of plastic packages collecting is part of cross border project (Albania-Montenegro) “Art, Plastic and Recycling”. Information about projects you can find on link: <http://www.cstimontenegro.org/sredinaLevo.php?cmbJezik=1&iID=538&iIDM=>
